That these evils do exist, is manifest to everybody. The dearest, highest interests of a free people demand that they shall not close their eyes to such dangers too long, lest the time shall come when they will find their form of government changed in name as well as in fact, and their liberties lest.

Most if not all these evils, are attributable to the Radical or Republican party of the nation,-to its dectrines, policy and practices. It is essentially a party in mical and dangerous to the constitution and public and personal liberty. It is founded upon the despotic dogma that there is a "higher law" than the constitution; it is emphatically and essentially a "higher law" perty. NEW ADVERTISEMENTS. A Great Medical Discovery.

J. WALKER Proprietor. R. H. McDonald & Co., Druggists an Gen. Ag'ts, San Francisco . Cal., and 32 and 34 Commerce St, N. Y MILLIONS Bear Testimony to thek Wonderful Curative Effects. They are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquers doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs'of California, free from all Alcoholic Stimulants. . They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are, not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. They are a Gentle Pargative as well as a Tonic, possessing, also, the peculiar merit of acting as

of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. For inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilions, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitinted Blood, which is generally produced by derangement of the Di-

a powerful agent in relieving Congestion or Inflammation

gestive Organs. DYSPEPSIA OR INDIGESTION, Headache Pain in the Shoulders. Coughs, Tightness of the Chest. Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Ridneys, and a hundred other painful symptoms, are the offsprings of Dyspensia.

They invigorate the Stomach and stimulate the torpid Liver and Bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system. FOR SKINDISEASES, Eruptions, Tetter, Salt

buncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince, the most incredulous of their curative effects. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the

system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermitures, no anthelmintics, will free the system from worms like these Bitters. J. WALKER, Proprietor. R. H. McDONALD & CO., Druggists and Gen.
